Urban Sculpture
A warm organic topography within the rigid city grid.

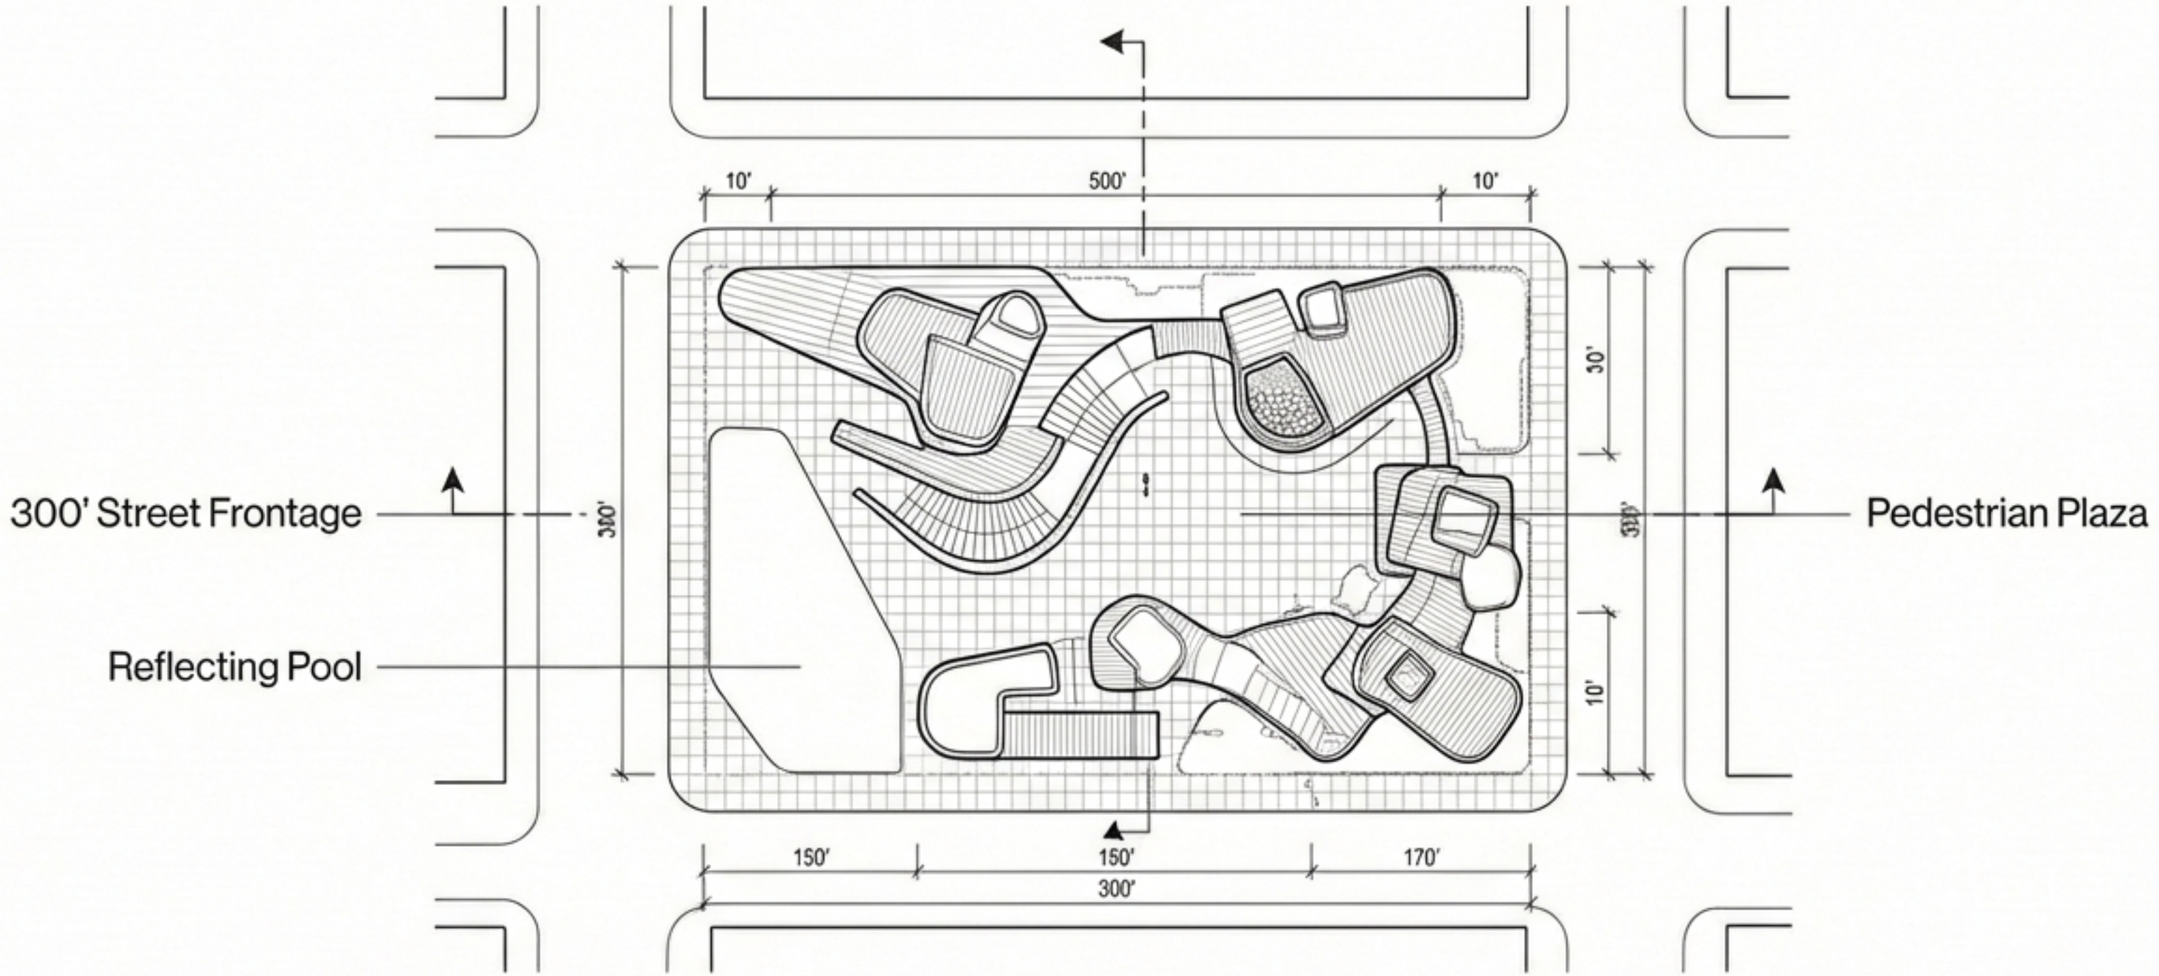
NotebookLM

Topography of Form

Undulating volumes creating a constructed landscape.

NotebookLM

The Site Strategy



NotebookLM

The Threshold
A seamless transition from street to sanctuary.

NotebookLM

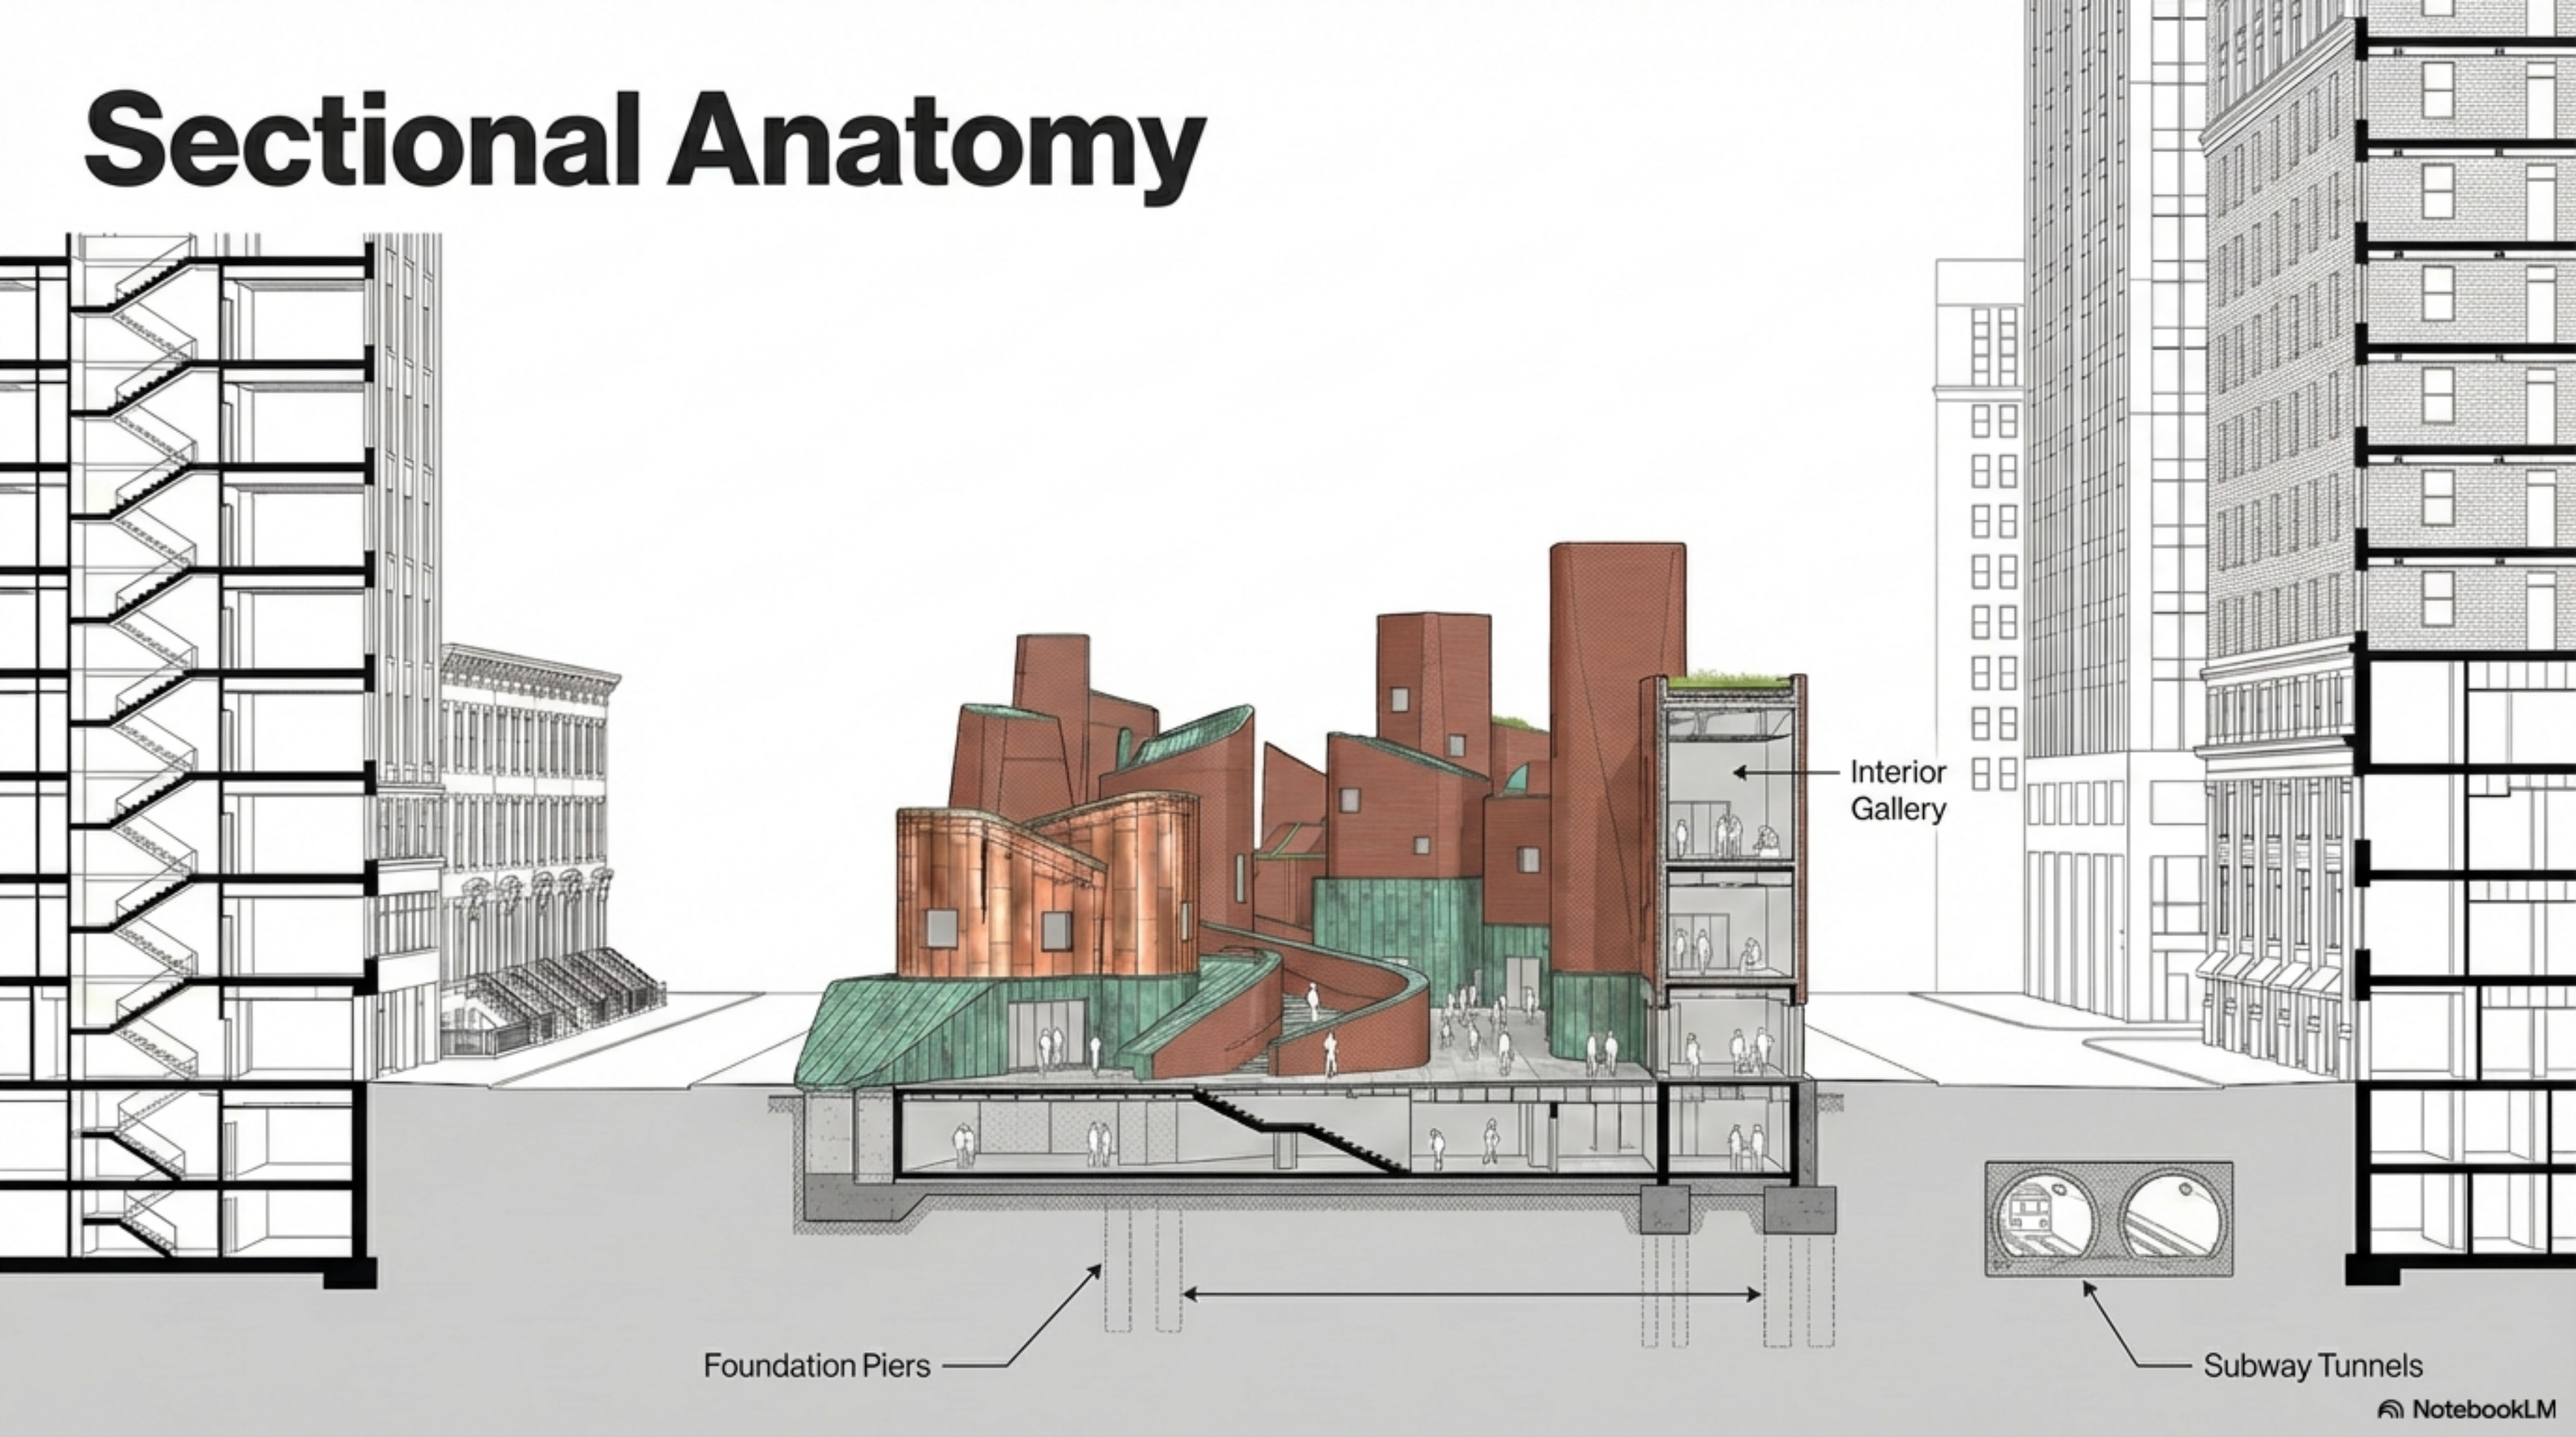
The Social Heart
Amphitheater seating creating a communal civic room.
NotebookLM

Visual Permeability

Connecting the learning landscape with the public realm.

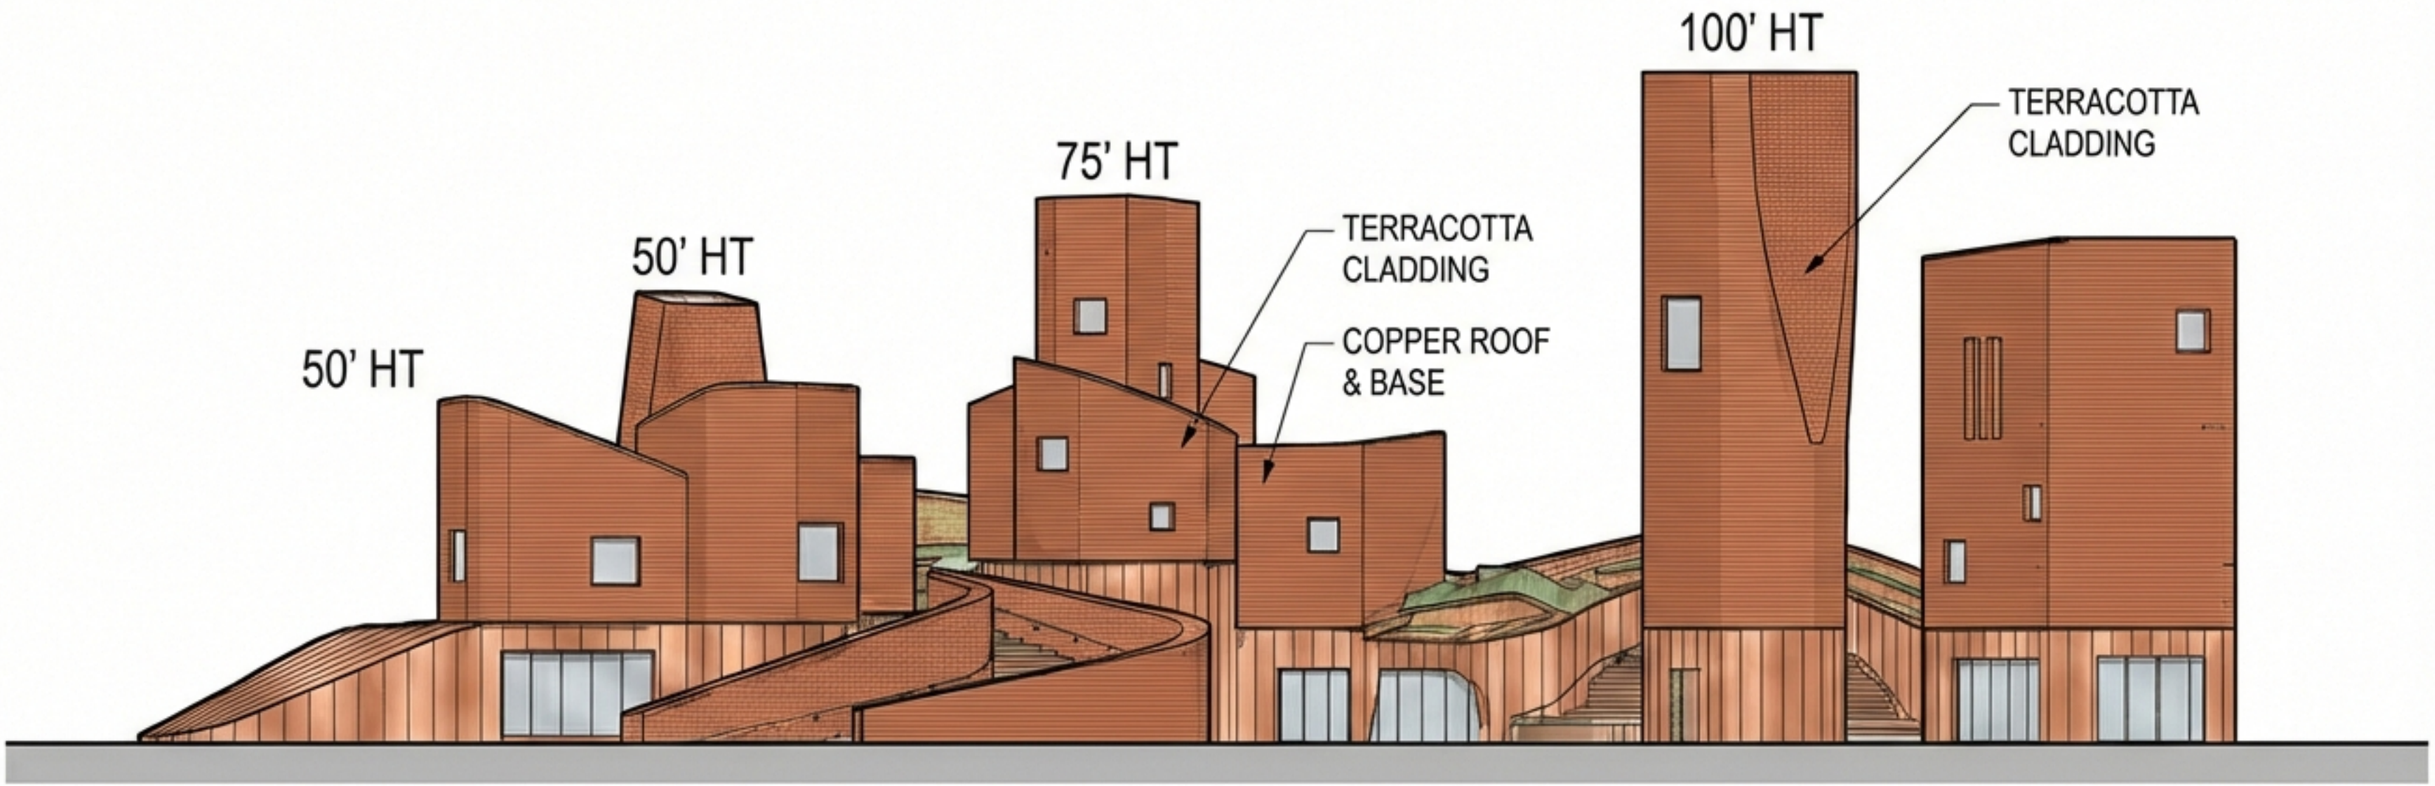
NotebookLM

Sectional Anatomy



NotebookLM

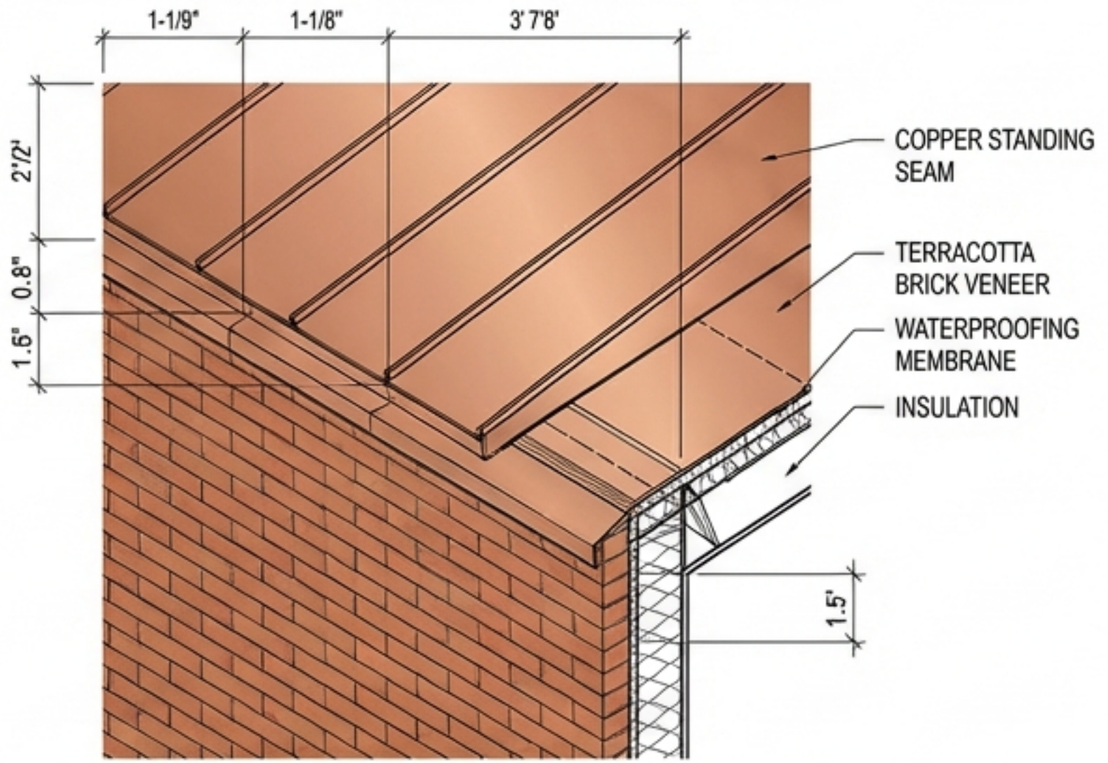
Vertical Composition



NotebookLM

Materiality: Patina

Standing seam copper cladding designed to weather and age.



NotebookLM

Materiality: Masonry

Hand-laid terracotta brick veneer forming organic curves.

NotebookLM

A Living Sculpture

Architecture as a catalyst for urban life.
